## Integrating publication lists into your webpage at Eawag

### Personal webpage

To insert publications at your personal Eawag webpage, please go to your personal webpage and log in. Afterwards click on the "+" next to DORA URL and copy the URL search link from your publications in DORA. You can find [here](#) tips regarding search in DORA and regarding creating publication lists.

The screenshot shows the DORA Eawag search results page for the author Juliane Hollender. The page features a search bar at the top right and a navigation menu. On the left, there are filter options for 'Publication Type' (Journal Article, Newspaper or Magazine Article, Master Thesis, Proceedings Paper, Dissertation) and 'Publication Year' (2005-2023). The main content area displays search results for 1-20 of 275 items, with columns for Title, Date Created, Author, and Year. The first three results are visible, each with a 'Detailed Record' link. The first result is by Alygzakis, N., Lestremou, F., Gago-Ferrero, P., Gil-Solsona, R., Arturi, K., Hollender, J., et al. (2023). The second result is by Balk, F., Hollender, J., & Schirmer, K. (2023). The third result is by Raths, J., Švara, V., Lauper, B., Fu, Q., & Hollender, J. (2023).
